

Enough is Enough!

Dear Donna –
It's time to hold legislators accountable.

I authorize direct debits drawn by TSTA-PAC in the amount of:

\$10 \$20 \$30 \$42 \$52 \$65
 other \$ _____

on the ___ 1st, ___ 10th, ___ 26th day of each month until I
cancel in writing.

The TSTA-PAC and NEA FCPE collect voluntary contributions from Association members and use those contributions for political purposes including, but limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal, or in the case of TSTA-PAC, state and local office. Contributions to TSTA-PAC and NEA FCPE are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute with suffering any reprisal. A member may contribute any amount, or nothing at all, without it affecting his or her membership status, rights or benefits in the NEA or TSTA.

I understand that I am making a joint contribution to the TSTA-PAC and NEA FCPE and that 25% of my contribution will be given to the NEA FCPE.

Contributions or gifts to the TSTA-PAC and NEA FCPE are not deductible for federal income tax purposes. Federal law requires us to use our best efforts to collect the name, mailing address, occupation and name of employer of individuals whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits the NEA FCPE from receiving donations from persons other than members of the NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates and their immediate families will be returned forthwith.
